

Summergarden

2017

Remember the carefree, old-fashioned summer days of childhood where fun meant endless outdoor adventures till Mom called you for dinner? **We do!**

A summer experience for children ages 3½ through rising 5th grade

We engage in activities to stimulate the head, hands, and heart, from crafting beautiful letters to send to our special relatives and friends to performing simple plays with live music and whimsical costumes.

Our nature-based, homespun program will excite your child's imagination and immerse them in creative explorations in baking, gardening, making music and singing, crafting, tie-dyeing, and of course, playing in water!

Daily Rhythm Sample

- Outdoor free play and organized summer games
- Snack making and eating
- Seasonal crafts, singing and/or games
- Lunch
- Water play and/or storytelling

We welcome all children; you do not have to be enrolled at Richmond Waldorf School to attend Summergarden.
