Dues and Fees per Family

Fee type	Fee
Parent's Association Dues	\$25
Facility Fee	\$250

Aftercare and Extended Care Program

Aftercare

RWS offers an all-inclusive Aftercare program for children staying after the regular school day has ended. Aftercare is offered with a customizable annual contract or for drop-in care as needed.

With an annual contract, parents may select to pick-up their child(ren) at 3, 4, 5, or 6 pm. Parents may customize their pick-up time by the day of the week and use drop-in care to supplement as needed.

The Aftercare Annual Contract rate is determined based on the rate of \$8.00/hour for the first child (the child using the greatest number of AC hours), and \$5.50/hour for all subsequent children. See Sample Aftercare Annual Contract Calculator below to estimate contract amount.

The Aftercare program also accommodates drop-in child care at the rate of \$10/hour. All drop-in care requests must be made by 5:30 pm the previous day.

Extended Care

All children with an annual Aftercare contract also receive all-day child care at no additional cost on the following days when the school is not regularly in session:

- Full Days:
 - Four parent teacher conference days (two in the fall and two in the spring)
 - Martin Luther King, Jr. Holiday
 - Columbus Day
 - Day before Thanksgiving
- Half-Days (when school has a noon dismissal):
 - First day of school
 - Tuesday before Thanksgiving
 - Last day of school

Families without an annual Aftercare contract may also participate in the Extended Care program at the rate of \$10/hour by reserving in advance.

Sample Aftercare Calculator Instructions: Complete a Separate Chart for Each Child

1. Select Early Childhood or Grade Chart as appropriate.
2. Select First Child or Subsequent Child Chart as appropriate. The First Child is the one with the most Aftercare hours.
3. For each child, indicate the number of days per week at each pick-up time. You can select different pick-up times for each day of the week, but for any given day of the week, the pick-up time must be the same.
4. Multiple the rate by the number of days per week for each pick-up time. (green highlight row)
5. Add up the total amount in the far right column (yellow highlight). This is your estimated annual Aftercare contract total.

NOTE: The final contract figures might adjust slightly depending on the number of days school is in session. The rates below are based upon the number of school days for the 2017-18 school year.

Early Childhood:

First Child Rate Calculator Chart:

Rate: \$8/hour	3 pm pick-up	4 pm pick-up	5 pm pick-up	6 pm pick-up	TOTAL AMOUNT
Annual Rate (per day) 37 weeks of Aftercare in 17-18	\$592	\$888	\$1,184	\$1,480	
Number of days per week at that pick-up time					
Rate Multiplied By the number of days per week at pick-up time					

Second and all Subsequent Children Rate Calculator Chart:

Rate: \$5.50/hour	3 pm pick-up	4 pm pick-up	5 pm pick-up	6 pm pick-up	TOTAL AMOUNT
Annual Rate (per day) 37 weeks of Aftercare in 17-18	\$407	\$610.50	\$814	\$1,017.50	
Number of days per week at that pick-up time					
Rate Multiplied By the number of days per week at pick-up time					

Grades:

First Child Rate Calculator Chart:

Rate: \$8/hour	4 pm pick-up	5 pm pick-up	6 pm pick-up	TOTAL AMOUNT
Annual Rate (per day) 37 weeks of Aftercare in 17-18	\$296	\$592	\$888	
Number of days per week at that pick-up time				
Rate Multiplied By the number of days per week at pick-up time				

Second and all Subsequent Children Rate Calculator Chart:

Rate: \$5.50/hour	4 pm pick-up	5 pm pick-up	6 pm pick-up	TOTAL AMOUNT
Annual Rate (per day) 37 weeks of Aftercare in 17-18	\$203.50	\$407	\$610.50	
Number of days per week at that pick-up time				
Rate Multiplied By the number of days per week at pick-up time
