

Aftercare and Extended Care Program

Aftercare

RWS offers an all-inclusive Aftercare program for children staying after the regular school day has ended. Aftercare is offered with a customizable annual contract or for drop-in care as needed.

With an annual contract, parents may select to pick-up their child(ren) at 3, 4, 5, or 6 pm. Parents may customize their pick-up time by the day of the week and use drop-in care to supplement as needed.

The Aftercare Annual Contract rate is determined based on the rate of \$8.00/hour for the first child (the child using the greatest number of AC hours), and \$5.50/hour for all subsequent children. See Sample Aftercare Annual Contract Calculator below to estimate contract amount.

The Aftercare program also accommodates drop-in child care at the rate of \$10/hour. All drop-in care requests must be made by 5:30 pm the previous day.

Extended Care

All children with an annual Aftercare contract also receive all-day child care at no additional cost on the following days when the school is not regularly in session:

- Full Days:
 - Four parent teacher conference days (two in the fall and two in the spring)
 - Martin Luther King, Jr. Holiday
 - Columbus Day
 - Day before Thanksgiving
- Half-Days (when school has a noon dismissal):
 - First day of school
 - Tuesday before Thanksgiving
 - Last day of school

Families without an annual Aftercare contract may also participate in the Extended Care program at the rate of \$10/hour by reserving in advance.
